## DIRECTIONS

Our Helsinki office is located inside Kamppi shopping center. When you arrive in the center, make sure you are on the E-level and look for the long row of numbered bus terminals (see map below). There is a large, metallic door opposite the bus terminal number 47. There is a buzzer on the left side of the door, please press it and someone will let you in. Then take the elevator to the third floor.

### Arriving by taxi:

Please give the driver our address and then look for a buzzer beside the door and press it. You will be let in; then go up to the third floor. Go out into the small courtyard, walk across it to a glass door with a "5B" sign next to it and press the buzzer again. Alternatively, you can enter the shopping center and come through our main entrance as described above.

### Arriving by the subway:

Please exit at the "Kamppi" subway stop. There are two set of escalators; take the ones on the left side and you will arrive on the E-level of the shopping center. Follow the directions above.
